

Top Hat East India Tonic is a nautical jubilation of relevant botanicals framed by the medicinal power of natural quinine. Our East India expression of this famous elixir has loud whispers of Cinchona Bark, Zeus Hop, Darjeeling Tea, Grapefruit Peel and Chamomile Flower.

TOP HAT PROVISIONS

CRAFTERS OF MIXERS, ELIXIRS & TONICS

Blending two universal concepts — the **TOP HAT**, a symbol of elegance & magic, and **PROVISIONS**, which means to supply with food, drink or equipment, especially for a journey — our team proudly presents delicious craft concentrates poised to revolutionize the beverage industry.

Top Hat Provisions started out batching small kegs of ginger beer to efficiently serve our popular Moscow Mules on draft to the fans at Coachella Music Festival in 2011. This evolved into growing our Concentrate family to include tonic, we now have a home on the edge of San Francisco to properly batch, bottle, label & package our delicious tonic and other specialty craft concentrates to ship directly to loyal bars, restaurants, festival fans & home bars all over the world.

Our craft concentrates are available in 375ml bottles and 1 Liter bottles. Our Ginger Beer and East India Tonic are also available in 3-gallon Bag-in-a-Box units to activate soda gun systems.
